How'd it all fall apart You were right here before, in my arms
　　|F　　|F
Now you're invisible But the heartbreak's physical (fiziko)
|C　　|G
Got a place, moved away Somewhere with a different code, different state
　　|F　　|F　　|G　　|F
Still feels miserable God, it's so chemical All that I know Is I can't let you go
#　　|C　　|G
It's been two years and you're still not gone It doesn't make sense that I can't move on
　　|F　　|F
Yeah, I try, I try, I try, I try But this love never dies
　|C　　|G
Two years since you've been in my bed Even had a funeral for you in my head
　　|F　　|F
Yeah, I try, I try, I try, I try But this love never dies
　|C　　|G
Another night, another vice Even try with someone new, someone nice
　　|F　　|F
I'll always hate the fact that you, ruined everybody after you

I'm always coming back to you#

|F　　|Am
Maybe I'm just sick and this is how it's gonna be
|F　　|G
Maybe this is all I know And I know it's not you, it's me

　　|C
'Cause It's been two years and you're still not gone
　　|G
It doesn't make sense that I can't move on
　　|F　　|F
Yeah, I try, I try, I try, I try But this love never dies
　|C　　|G
Two years since you've been in my bed Even had a funeral for you in my head
　　|F　　|F
Yeah, I try, I try, I try, I try But this love never dies
